Hello Jericho Fans...

I thought Eric being tortured by New Bern was difficult but having our show come to a close has been quite challenging emotionally. Working with CBS on Jericho has certainly been one of my favorite professional experiences. It was an absolute treat to go to work everyday and be apart of the Jericho family which extends out to you - the 9 million+ devoted fans that religiously tune in every week via a multitude of media outlets.

I really appreciate all your dedication and interest throughout the season. Your passion and enthusiasm over the last week has especially been overwhelming and touching. It's been a difficult time for the cast and crew but your response has warmed our souls.

I'm thrilled to witness that the themes of our show have resonated with you. Your recent rally has brought new meaning to the episodes "Why We Fight" and "Coalition of the Willing". I'm surprised Planters Peanuts hasn't called to do a cross promotion.

Though Eric mourns the loss of his father he must be strong and soldier on with his brother in arms.

Thanks again for all the support.
